

## PROFESSIONAL STAFF ASSIGNMENTS AND TRANSFERS

Principals and other supervisory personnel may submit recommendations to the superintendent for the appointment, assignment, promotion, transfer and dismissal of all personnel assigned to their supervision.

Upon recommendation of the superintendent, the Patrick County School Board shall place all employees within the various schools and facilities located in the school division. The superintendent shall have the authority to assign such employees to their respective positions within the school or facility wherein they had been placed by the School Board.

The superintendent may also reassign any such employee for that school year to any school or facility within such division, provided no change or reassignment during a school year shall affect the salary of such employee for that school year. However, no one will be employed in or reassigned to a situation where a family member, as defined in Policy GCCB, is directly responsible for that employee's supervision.

Any employee seeking a transfer of assignment to another work location for the next school year must make a request in writing to the superintendent or his/her designee, with copies to the current supervisor, not later than April 1. This type of request, if granted, will be considered a voluntary transfer. A change of assignment within an immediate work station is the responsibility of the immediate supervisor.
