

DRIVER EDUCATION

Beginning with the 2000-2001 school term, the “behind –the-wheel” driver education training will be offered before school hours, after school hours, on weekends, or during summer vacation. Each enrolled student will be charged a \$110.00 fee for “behind-the-wheel” program with this fee being payable prior to the commencement of any actual instruction. * Any student who fails to successfully complete the required competencies within the established instructional timeframe will be charge an additional fee. This additional fee of \$55.00 will fund the extended instruction necessary to fulfill the required driving competencies.
