

INSTRUCTIONAL MATERIALS

The Patrick County School Board is responsible for the selection and use of instructional materials.

The superintendent or superintendent's designee creates and updates, as necessary, guidelines and procedures for the selection of instructional materials. The guidelines and procedures are designed to ensure that appropriate instructional materials are selected and provide an opportunity for the professional staff and community to participate and be informed on the selection and use of instructional materials.

Parents may inspect, on request, any instructional material used as part of their student's curriculum.
